Description :

PDF-ea75f | In *The Birth of Tragedy* Nietzsche expounds on the origins of Greek tragedy and its relevance to the German culture of its time. He declares it to be the expression of a culture which has achieved a delicate but powerful balance between Dionysian insight into the chaos and suffering which underlies all existence and the discipline and clarity of rational Apollonian form. In order to promote a retur... *The Birth of Tragedy (Oxford World's Classics)*
