by Suzan-Lori Parks : **The Book of Grace**

ISBN : #155936405X | Date : 2016-03-01

Description :

PDF-36f83 | “The Book of Grace offers further evidence that Suzan-Lori Parks thinks big even when she thinks small... The family portrait she paints here is nothing less than a map of a nation that is divided within itself and poised to fall... This play is infused with an exciting emotional ambiguity that transforms its characters into people of splendidly confused humanity.” –Ben Brantley, New York Times... *The Book of Grace*
