Description :

PDF-84b63 | Brutal Imagination is the work of a poet at the peak of his considerable powers. Its two central sections--which could be called song cycles--confront the same subject: the black man in America. The first, which carries the book's title, deals with the vision of the black man in white imagination. Narrated largely by the black kidnapper that Susan Smith invented to cover up the killing of her two s... *Brutal Imagination: Poems*
