Description :

PDF-9d761 | The practice of curanderismo, or Mexican American folk medicine, is part of a historically and culturally important health care system deeply rooted in native Mexican healing techniques. This is the first book to describe the practice from an insider's point of view, based on the authors' three-year apprenticeships with curanderos (healers). Robert T. Trotter and Juan Antonio Chavira present an int... *Curanderismo: Mexican American Folk Healing (de Vries Lectures in Economics)*
