Description :

PDF-84ff2 | "To those who love fairy stories (I do) I can heartily recommend Dr. Baudis's collection in the attractive volume, "Czech Folk Tales." A short but valuable preface prepares the English reader for the spirit of Czech folk lore. These have been skillfully selected, for there is not a dull page, provided always that you believe in fairies." —The Yale Review * * * * * From the Introduction:... *Czech Folk Tales*
