ISBN : #0470316314 | Date : 2008-11-10

Description :

PDF-0dfd9 | Organization structures do not fail, says Jay Galbraith, but management fails at implementing them correctly. This is why, he explains, the idea that the matrix does not work still exists today, even among people who should know better. But the matrix has become a necessary form of organization in today's business environment. Companies now know that if they have multiple product lines, do business... *Designing Matrix Organizations that Actually Work: How IBM, Procter & Gamble and Others Design for Success (Jossey-Bass Business & Management)*
