Description :

PDF-c72a2 | Mary Shelley's deceptively simple story of Victor Frankenstein and the creature he brings to life, first published in 1818, is now more widely read and more widely discussed by scholars than any other work of the Romantic period. From the creature's creation to his wild lament over the dead body of his creator in the Arctic wastes, the story retains its narrative hold on the reader even as it spin... *Frankenstein: the original 1818 text (Broadview Literary Texts)*
