ISBN : #0879232153 | Date : 2014-12-01

Description :

PDF-8ba6f | In this classic work of scientific and philosophical inquiry, the authors track world myths to a common origin in early man's descriptions of cosmological activity, arguing that these remnants of ancient astronomy, suppressed by the Greeks and Romans and then forgotten, were really a form of preliterate science. Myth became the synapse by which science was transmitted. Their truly original thesis ... *Hamlet's Mill: An Essay Investigating the Origins of Human Knowledge And Its Transmission Through Myth*
