Description :

PDF-ceb21 | Forget what you've been told. Monsters DO exist. And they're hungry. Cade Williams would know better than most. Ever since he joined the new Templar Order and took command of the special operations group known as the Echo Team, he and his men have been kicking monster ass, determined to rid the world of such creatures once and for all. When a powerful necromancer steals an ancient artifact of arcane... *The Heretic: A Templar Chronicles Novel (The Templar Chronicles)*
