Description :

PDF-e97dc | Written in 1595, Richard II occupies a significant place in the Shakespeare canon, marking the transition from the earlier history plays dominated by civil war and stark power to a more nuanced representation of the political conflicts of England's past where character and politics are inextricably intertwined. It is the first of four connected plays--including 1 Henry IV, 2 Henry IV, and Henry V---... *Richard II: The Oxford Shakespeare (Oxford World's Classics)*
