Description :

PDF-ef50d | "A much needed book. It not only provides the proper orientation to its material, but its humanistic approach is more perceptive and illuminating than technical scholarship." ?Theodore H. Gaster, Columbia University This collection of writings is from authors who are either Indians who have tried to make themselves heard, or whites who have tried to hear Indians. The first part of the book empha... *Teachings from the American Earth: Indian Religion and Philosophy*
