Description :

PDF-1cf30 | Sophocles, along with Aeschylus and Euripides, is considered one of three important ancient Greek tragedians. Writing during the 5th century BC, Sophocles created some one hundred and twenty three plays during his lifetime, of which only seven have survived in their entirety. In this edition are included the three “Theban” plays, which are widely considered his most important works. This colle... *The Three Theban Plays: Antigone, Oedipus the King, and Oedipus at Colonus (Translated by Francis Storr with Introductions by Richard C. Jebb)*
